## LIGHTING WARRANTY:

Sea Gull Lighting lighting fixtures (both indoor and outdoor), components, and electronic products, when properly installed and under normal conditions of use, are warranted to be free from defects in materials and workmanship for one year from date of sale. LED products with dedicated LEDs or proprietary LED bi-pin modules are warranted for five years. ENERGY STAR® qualified products are warranted for three years.

## OUTDOOR LIGHTING WARRANTY:

Lighting fixtures installed outdoors are subject to change due to prolonged exposure to sunlight, pollutants and other environmental conditions. Metal finishes on outdoor fixtures will mature naturally over time, and may change in appearance, creating a living finish. Painted finishes on outdoor fixtures may naturally fade over time, depending on the fixture's exposure to the outdoor elements. Therefore, any claim for fading, discoloration or "patina" of a finish on an outdoor fixture is not applicable after expiration of the fixture's warranty. For Coastal environments, visit our website for details at <http://www.seagulllighting.com/warranty.htm>.
