

Café Wall

GENERAL PRODUCT INFORMATION:

These fixtures are intended to be installed utilizing NEC compliant junction boxes.

This product may be dimmed with a low-voltage electronic dimmer.

CAUTION - RISK OF FIRE
 This product must be installed in accordance with the applicable installation code by a person familiar with the construction and operation of the product and the hazards involved.
 Use minimum 90°C supply conductors.

Install the Fixture

- 1 Remove the fixture screws located on both sides of the fixture base with the provided Allen wrench.
- 2 Remove the mounting plate from the fixture base.

- 3 Install the mounting plate onto the electrical box with the two #8-32 screws provided.

1C

- 4 Connect the mounting plate ground wire to a suitable ground in accordance with local electrical codes.
- 5 Connect the black driver wire to the hot power line wire with a wire nut.
- 6 Connect the white driver wire to the neutral power line wire with a wire nut.
- 7 Properly place the driver, all wires, and wire nut connections into the electrical box.
- 8 Mount the fixture by sliding it back onto the mounting plate and reinstalling the fixture screws (reversal of figure 1A).
