

ASSEMBLY INSTRUCTIONS

Carter Apothecary Pot Table Lamp

Item # RL3627

INSPECT ITEM CAREFULLY BEFORE ATTEMPTING TO INSTALL. IF THERE IS ANY DAMAGE OR OBVIOUS DEFECT, DO NOT INSTALL. ITEM MAY NOT BE RETURNED ONCE IT HAS BEEN INSTALLED.

1. The switch needs to be in the "OFF" position before installing the bulb and plugging into the outlet. Failure to do so could result in socket failure.
2. To ensure the dimmer switch is in the "OFF" position, the knob should be turned completely to the left, indicated by a clicking sound.
3. Insert harp (C) into harp holder (E). Harp can be adjusted by releasing/tightening the knob (D)
4. Remove finial (A) from harp (C)
5. Insert light bulb (not included) into the socket.
6. Place shade (B) over the bolt on top of the harp (C) secure in place with the finial (A)
7. Plug in lamp to the electrical outlet.
